I am a passionate software developer with extensive experience in Java and Python programming, as well as front-end development using HTML, CSS, and JavaScript. My strong background in these languages has allowed me to create efficient and user-friendly applications, contributing to various projects and teams.

PROFESSIONAL EXPERIENCE

CODERSCAVE

Jan 2024 - Feb 2024

Python Developer Intern

- Gained hands-on experience in Python programming, including data manipulation and algorithm implementation, object-oriented programming, data structures, and libraries.
- Gained valuable experience in real-world projects and enhanced programming skills for future endeavors. Demonstrated adaptability and rapid learning in a fast-paced software development environment.

SKILLS

- Java
- Python
- HTML, CSS, Javascript
- MySQL, Mongo DB
- Spring
- Prompt Engineering

PROJECTS

Hotel Management System

Oct 2024 - Nov 2024

- Developed a Hotel Management Tool for managing hotel-related activities, including room bookings, customer details, food orders, and billing.
- Created a menu-driven interface for booking and checking room availability.
- Tools used: Java, ArrayList, Exception Handling, File Handling, Multithreading.

Integrated Tax Management Tool

Nov 2024 - Dec 2024

- Developed an Integrated Tax Management Tool for calculating taxes on vehicles (buses) and properties.
- Utilized object-oriented programming principles, including inheritance and interfaces, for consistent tax calculations, encapsulation for secure data access and polymorphism for customized tax formulas.

EDUCATION

Karpagam Institute of Technology

2022 - 2026

Course: Bachelor of Technology Information Technology, GPA: 6.98

Sri Ramakrishna Vidyalaya Matriculation Higher Secondary School

2021 - 2022

Course: Maths-Computer Science, Percentage: 77

CERTIFICATIONS

- HackerRank - SQL (BASIC), JAVA and PROBLEM SOLVING
- Google - Introduction to Generative AI
- AWS Academy Cloud Foundations course.
- TCS iON Introduction to Soft Skills

ACHIEVEMENTS & AWARDS

- Achieved TamilNadu Government-Certified Junior Typewriting certificate at 36 words per minute.
- Certified by Scaler for "Mastering the Fundamentals" Java course.
