Education

Karpagam Institute of Technology
Bachelor of Technology in Information Technology

Coimbatore, Tamilnadu, India
November 2022 - May 2026

Professional Experience

CODERSCAVE
Python Developer Intern

Remote
Jan 2024 - Feb 2024

- Developed Python-based automation scripts for data manipulation and analysis.
- Implemented object-oriented programming (OOP) principles in real-world projects.
- Worked with data structures and algorithms to optimize code efficiency.
- Collaborated in a team environment using Git/GitHub for version control.

Projects

Hotel Management System 🔗

Oct 2024 - Nov 2024

- Developed a Hotel Management Tool for managing hotel-related activities, including room bookings, customer details, food orders, and billing.
- Created a menu-driven interface for booking and checking room availability.

Go Conference Ticket Booking System 🔗

June 2025

- Built a Go-based CLI ticket booking system using structs, slices, and input validation to manage real-time bookings and user data.

E-commerce Website with AWS 🔗

Feb 2025

- Developed a full-stack e-commerce platform with AWS services.
- Products page fetching DynamoDB data via API Gateway.
- Implemented CRUD operations with AWS Lambda for cart management.
- Hosted frontend on Amazon S3 (Static Website Hosting).
- Technologies Used: JavaScript, AWS Lambda, DynamoDB, API Gateway, S3, Cloudwatch

Skills

Programming : Java, Go, C, Python

Frameworks and Tools : PostgreSQL, MongoDB, Git/Github, AWS, Azure & GCP, RestAPIs, CI/CD

Achievements

- Solved over 1000+ problems in Skillrack, GFG, Leetcode and Code chef in total.
- Completed virtual internships at **CodSoft** and **Coderscave**, demonstrating adaptability and self-learning in a fast-paced software development environment.
- Presented "Tech Career Navigator" paper at IASICT'24 conference, showcasing expertise in artificial intelligence and computing technologies.
- Certified by TCS - ion in Introduction to soft skills and HP LIFE - Business Communication
- Achieved TN Government-Certified Junior Typewriting certificate at 36 words per minute.

Certifications

- AWS Certified Cloud Practitioner
- AWS Solutions Architect Job Simulation – Forage
- DataCom - Introduction to Cloud – Virtual Experience (Forage)
- HACKERRANK - GO(BASIC), SQL (BASIC), JAVA and PROBLEM SOLVING
- CODECHEF - PRACTICE GO
- UDEMY - Mastering AWS Serverless: Hands-On with Core AWS Services
- NPTEL - Cloud Computing
- CISCO NETACAD - JavaScript Essentials 1 & 2
